## Discovering Old Welsh Houses

Reports: Welcome to the many Discovering Old Welsh Houses Reports which are available here on our website. All the reports - House Histories, Building Reports and Tree-ring Dating reports - can be accessed - [here](#)

Discovering Old Welsh Houses studies and celebrates the traditional houses of North Wales and the lives of the people who lived in them.

The copyright of most of these reports belongs to Discovering Old Welsh Houses. Where copyright resides with others, we have made every effort to obtain their permission to reproduce reports on our site. Our policy is to allow free access to our research documents as part of the public benefit we provide as a registered charity. You are welcome to reproduce this material but if you do so, please acknowledge the source

If you find the content useful, please consider becoming a [Member](#) to access the many benefits available.

Please note that these reports are being updated as part of an ongoing programme of revision. Older reports sometimes refer to the old names of the Group. Between 2005 and 2012 also known as The Snowdonia Dendrochronology Project, then the N W Wales Dendrochronology Project and then the Dating Old Welsh Houses Group.

New reports will be added from time to time. Keep an eye on our website for updates.

# North West Wales Dendrochronology Project

## Tŷ Mawr, Nantlle

### Introduction

This report contains the results of a survey undertaken to complement the proposed dating of timbers at Tŷ Mawr, Nantlle, as part of the North West Wales Dendrochronology Project. The survey was undertaken on 3 February 2010 by Adam Voelcker. Documentary research will be undertaken by volunteers to accompany this survey, and separate reports will be issued describing the results of the documentary survey and of the dendrochronology sampling.

### Site particulars

#### Site address

Tŷ Mawr, Nantlle, Caernarfon, Gwynedd LL54 6BD

#### NGR

SH 25086 35334

#### NPRN

16960

#### Listing status

Grade II\*

### Methodology

The ground floor plan is redrawn from the RCAHMW Inventory plan; the attic plan is based on this plan, with trusses located as measured on site; the cross-section is approximate, with heights as measured on site; the truss elevations are approximate and drawn by hand, following the photographs.
