

Darganfod Hen Dai Cymreig Discovering Old Welsh Houses

Reports: Welcome to the many Discovering Old Welsh Houses Reports which are available here on our website. All the reports - House Histories, Building Reports and Tree-ring Dating reports - can be accessed - [here](#)

Discovering Old Welsh Houses studies and celebrates the traditional houses of North Wales and the lives of the people who lived in them.

The copyright of most of these reports belongs to Discovering Old Welsh Houses. Where copyright resides with others, we have made every effort to obtain their permission to reproduce reports on our site. Our policy is to allow free access to our research documents as part of the public benefit we provide as a registered charity. You are welcome to reproduce this material but if you do so, please acknowledge the source

If you find the content useful, please consider becoming a [Member](#) to access the many benefits available.

Please note that these reports are being updated as part of an ongoing programme of revision. Older reports sometimes refer to the old names of the Group. Between 2005 and 2012 also known as The Snowdonia Dendrochronology Project, then the N W Wales Dendrochronology Project and then the Dating Old Welsh Houses Group.

New reports will be added from time to time. Keep an eye on our website for updates.

HOUSE HISTORY

From Cadw Listing Schedule:

Earlier C17 origins possibly of longhouse type. Extended to uphill end and partly remodelled in C19; all re-windowed and middle section converted to a Music Room by Sir Clough Williams Ellis in the 1930s.

The downhill end was built as a 2-bay, upper cruck, storied dwelling with gable end chimney to hall; collared cruck couples are carried on roughly hewn cross-beams to ground floor ceiling; two rows of purlins. Hall chimney has curved and chamfered bressummer with later range; blocked chimney upstairs.

Dendrochronology results:

Front upper cruck (mean of 2 samples)
Rear upper cruck
Collar cruck truss
Rear lower purlin over stairs
Tiebeam cruck truss
3rd joist from front bay 2
6th joist from front bay 2
Mantel-beam

Summer 1761

Hafoty, Croesor, Llanfrothen, Meirionydd (NPRN 28469)

A cottage-farmhouse with a 1772 graffito inscription. Tree-ring dating placed the insertion of the joists to spring 1766. (RCAHMW Review, 2005-06, p 48)

Merioneth, Llanfrothen, Hafoty. (SH 6312 4325)

Felling date range: Summer 1760-**Spring 1766**.

A storeyed cottage-farmhouse (tyddyn) in a range with former farm buildings. The dwelling has a two-unit front range with a rear service wing. It is dominated by a large kitchen end fireplace with arched beam. The trusses are of upper-cruck type, with lapped "wavy" collars, set on roughly chamfered beams. The tree-ring dates show that the timber used was felled over a period of several years. The graffiti date of 1773 on the fireplace beam is significantly later than the latest felling date of 1766. (Vernacular Architecture, vol 37, 2006, List 181: Welsh Dendrochronology Project – phase 10, p **)

1772/3/9 carved in bressummer in down hill gable chimney.

It seems to have been the Hafod for Garreg Fawr which itself was part of the Wynn of Gwydir estate in Llanfrothen. At present the earliest reference to Garreg Fawr is in a

Rentroll dated pre 1570, & to Hafodty is in a **July 1766** baptism in Llanfrothen church.

TENANTS: Vottu / Foty

1766 Jul baptism of Jane, daughter of Pierce Samuel & Margaret, **Vottu Garreg Fawr** (LF records)
